Note: The teacher reserves the right to alter day-to-day scheduled activities, assignments, project details and point values as—and when—deemed necessary, in order to cover the State standards in the allotted time frame. Changes will be announced in class.

During the spring of 2017, PHS students enrolled in the Graphic Design 5-6 class will be afforded the opportunity of establishing his or her goals for the semester. Chosen projects must focus on the digital environment—that is, 2-D digital animation, Web design, or a mixture of both. Since the curriculum is individualized for each GD 5-6 student, each student will follow a unique assignment calendar.
